Seal Kit

- For brake calipers by OEM standard are made from high-quality materials and high manufacturing processes to ensure a durable, high performance product.
- Seal Kit is one of the important components of a brake system as it prevents dirt from getting into the caliper piston and prevents judder/noise problems during brake operation.

AISIN ASIA is a member of AISIN GROUP. Based in Singapore, with the extensive branches network, AISIN ASIA aims to provide best quality service to the customers in the Asia-Oceania, the Middle East and Africa region.
